The World Conference will be hosted by the Deafblind network of Ontario (DBNO). The event will be held at the Shaw Convention Centre, recognized as one of the most accessible venues internationally.

The theme for the conference is “The Future in Our Hands” and includes a comprehensive 4-day educational program. For the first time, this conference will be designed as a Hybrid event.

To support our families who may be interested in attending the World Conference, Sensity is pleased to announce that we are making subsidies available to families of an individual who is deafblind.
